

Breakthrough

Verse 1

I am weary from the waves crashing over every day
God of mercy please come rescue me

Verse 2

I am longing for Your voice
The gentle whisper in the noise
Father tell me everything's all right

Chorus

Your power Your presence breaks strongholds
King of Heaven when You speak mountains move
I believe there will be breakthrough

Verse 3

You alone can take my scars and
Piece by piece restore my heart
Take what's broken
Make it whole again

Bridge

Shake the mountains break the walls apart
Open the heavens Almighty God
You are Overcomer Defender of my heart
By Your power the oceans open wide
Your fire falls down Heaven and earth collide
King Jesus forever by my side

Yes I Will

Verse

I count on one thing
The same God that never fails
Will not fail me now
You won't fail me now
In the waiting
The same God who's never late
Is working all things out
You're working all things out

Chorus

Yes I will lift You high
In the lowest valley
Yes I will bless Your name
Yes I will sing for joy
When my heart is heavy
All my days yes I will

Bridge

I choose to praise
To glorify glorify
The name of all names
That nothing can stand against

Tag

For all my days
Yes I will

Another In The Fire

Verse 1

There's a grace when the heart is under fire
Another way when the walls are closing in
And when I look at the space between
Where I used to be and this reckoning
I know I will never be alone

Chorus 1

There was another in the fire
Standing next to me
There was another in the waters
Holding back the seas
And should I ever need reminding
Of how I've been set free
There is a cross that bears the burden
Where another died for me
There is another in the fire

Verse 2

All my debt left for dead beneath the waters
I'm no longer a slave to my sin anymore
And should I fall in the space between
What remains of me and this reckoning
Either way I won't bow to the things of this world
And I know I will never be alone

Chorus 2

There is another in the fire
Standing next to me
There is another in the waters
Holding back the seas
And should I ever need reminding
What power set me free
There is a grave that holds no body
And now that power lives in me

Tag

There is another in the fire oh

Bridge

And I can see the light in the darkness
As the darkness bows to Him
I can hear the roar in the heavens
As the space between wears thin
I can feel the ground shake beneath us
As the prison walls cave in
Nothing stands between us
Nothing stands between (us)

Verse 3

There is no other name
But the Name that is Jesus
He who was and still is
And will be through it all
So come what may in the space between
All the things unseen and this reckoning
I know I will never be alone
I know I will never be alone

Chorus 3

There'll be another in the fire
Standing next to me
There'll be another in the waters
Holding back the seas
And should I ever need reminding
How good You've been to me
I'll count the joy come ev'ry battle
'Cause I know that's where You'll be

Battle Belongs

Verse 1

When all I see is the battle
You see my victory
When all I see is a mountain
You see a mountain moved
And as I walk through the shadow
Your love surrounds me
There's nothing to fear now
For I am safe with You

Chorus

So when I fight I'll fight on my knees
With my hands lifted high
O God the battle belongs to You
And every fear I lay at Your feet
I'll sing through the night
O God the battle belongs to You

Verse 2

And if You are for me
Who can be against me
For Jesus there's nothing
Impossible for You
When all I see are the ashes
You see the beauty
When all I see is a cross
God You see the empty tomb

Bridge

(An) Almighty Fortress You go before us

Nothing can stand against

The power of our God

You shine in the shadows

You win every battle

Nothing can stand against

The power of our God

Here as we wait seek Your face
Come and make Your throne upon our praise
Here in this place have Your way
